

# **Advancing Key Women Educators for Life**

**We Advance Key Women Educators For Life** when we celebrate the contributions of Delta Kappa Gamma Key Women Educators, their state organizations, and their chapters!

**We Advance Key Women Educators For Life** when we engage every member in chapter programs, as well as at state, regional, and international gatherings.

**We Advance Key Women Educators For Life** when we listen to and respond to members by implementing some of the suggestions they offer.

**We Advance Key Women Educators For Life** when we remember our Society's history and its founders.

**We Advance Key Women Educators For Life** when we honor and remain inspired by those who chartered our state organizations and chapters.

**We Advance Key Women Educators For Life** when we provide collegial Support to Early-career Educators (SEE) as they so nobly render their heartfelt talents through their service as teachers in today's classrooms.

**We Advance Key Women Educators For Life** when we connect globally with members in all DKG countries by sharing ideas from chapter to chapter, state to state, and country to country, as our Society becomes more diverse and inclusive.

**We Advance key Women Educators For Life** by demonstrating our creativity and participation in the Humanities and Arts as we encourage members to submit works of art to the Arts and Humanities Jury for inclusion in the online DKG Fine Arts Gallery.

**We Advance Key Women Educators For Life** by implementing the Membership Recruitment Plan and tweaking it as needed as we engage new members in the work of our Society.

**We Advance Key Women Educators For Life** when we provide our members with the DKG Collegial Exchange and other publications that promote professional and personal growth.

**We Advance Key Women Educators For Life** when we offer our members opportunities to:

- Apply for scholarships and professional development awards through the DKG Educational Foundation Lucile Cornetet Professional Development Award Application;
- Participate in the national and international legislative seminars – like **The US Forum**;
- Participate in the International Speakers Forum;
- Participate in leadership training to strengthen leadership and personal skills through numerous conferences and workshops.

**We Advance Key Women Educators For Life** when we surround them with care and love after they have suffered damage due to floods, earthquakes and other natural disasters through our contributions to the DKG Emergency Fund.

**We Advance Key Women Educators For Life** when we offer our financial support to the *Schools For Africa Project* and *World Fellowship*.

**We Advance Key Women Educators For Life** when we give “a helping hand” to another member as we demonstrate our love, care and concern for each other.

**Yes, indeed! We Advance Key Women Educators For Life!!**

*An Essay*
